

List of Reports & Data Sets on the Tryon Creek watershed

As pertinent to Watershed Rapid Bioassessment RFP, published 4/30/2025.

Due to the participation of various nonprofit partners and local agencies in Tryon Creek Watershed Council's Watershed Action Committee, other datasets not listed here are also available and partners will assist in obtaining and sharing these for the purpose of the TCWC Rapid Bioassessment project.

Some datasets shall be obtained from the City of Portland via a public records request. This is not an exhaustive list but is intended to characterize types of available reports and information.
